STAGE LIGHTING PRODUCTS, SPARES & SERVICES

OCT, 2024

**For those who Understand Quality
beyond advertisement & false promises**

**Only lighting brand in the world to deliver
FREE SERVICE FOR LIFE**

J514 10R

Glass Gobo, Colors,
8 Prism, Rainbow, Strobe,
Frost, Pre-Set Patterns

J515 10R

Glass Gobo, Colors,
16 Prism, Rainbow, Strobe,
Frost, Pre-Set Patterns

J461 10R

Glass Gobo, Colors,
8 Prism, Rainbow, Frost,
Strobe, Pre-Set Patterns

J495 20R

Glass Gobo, Colors,
8,32,64 Prism, Rainbow, Frost,
Strobe, Pre-Set Patterns

J580 20R

Glass Gobo, Colors,
Line,8,32 Prism, Frost, Rainbow,
Strobe, Pre-Set Patterns

J566 22R BSW

2 Gobo Wheel, 1 Color Wheel, Zoom,
Water Effect, 8,16,32 Prism, Dimmer,
Frost, Gobo Rotation, Rainbow, Strobe

J484 Zoom Wash

19Pcs x 15W RGBW,
Dimming, Zoom, Strobe,
ArtNet, cACN

J572 Zoom Wash

19Pcs x 40W RGBW,
Dimming, Zoom, Strobe,
ArtNet, cACN

J517 18R Rain Proof

Glass Gobo, Colors,
8,16,32 Prism, Rainbow, Frost,
Strobe, Pre-Set Patterns

J565 17R Rain Proof

Glass Gobo, Colors,
Line,6,32 Prism, Rainbow, Frost,
Strobe, Pre-Set Patterns

J573 Kinetic Ball

2 Way Movement, Dimmer, Strobe,
Speed, Color Changing

J529 LED Beam

150W LED, Glass Gobo, Colors,
8 Prism, Rainbow, Frost,
Strobe, Pre-Set Patterns

J578 7 EYE

Original 50W RGB x 7Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J550 4 EYE

Original 50W RGB x 4Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J540 60L

Original 3W RGB x 60Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J504 60L

Original 3W RGB x 60Pcs,
Heavy Duty Body,
High Grade Components

J503 60L

Original 3W RGB x 60Pcs,
Poly Carbonate Body,
High Grade Components

J102 54x3W

Original 3W RGBW x 54Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J577 7 EYE

Original 50W (WW + White) x 7Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J551 4 EYE

Original 50W (WW + White) x 4Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J545 60L

Original 3W (WW + White) x 60Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J506 60L

Original 3W WW x 60Pcs,
Heavy Duty Body,
High Grade Components

J507 60L

Original 3W WW x 60Pcs,
Poly Carbonate Body,
High Grade Components

J394 80L UV

Original 3W UV x 80Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J553 Blinder

Original 150W RGB x 4Pcs,
Heavy Duty Body,
High Grade Components

J552 Blinder

Original 150W (WW + White) x 4Pcs,
Heavy Duty Body
High Grade Components

J557 Blinder

Original 150W RGB x 2Pcs,
Heavy Duty Body,
High Grade Components

J556 Blinder

Original 150W (WW + White) x 2Pcs,
Heavy Duty Body
High Grade Components

J569 Atomic Strobe

1048 LED, Alphabet Input,
Dimming, Strobe,
Multiple Pre-Set Patterns

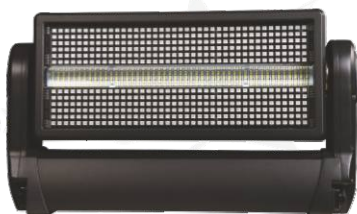

J384 Atomic Strobe

1056 LED, White LED in Centre
for White Strobe Effect, Dimming,
Multiple Pre-Set Patterns

J568 Atomic Wave

1072 LED, Dimming, Strobe,
Multiple Pre-Set Patterns

J525 Atomic Wash

960 LED, Pan & Tilt, Dimming,
Strobe, Multiple Pre-Set Patterns

J549 Indoor Wall Washer
Original 3W RGB x 64Pcs, Multiple Pre-Set Patterns

J567 Matrix Wall Washer
Original 3W RGB x 40Pcs, Narrow Lens, Multiple Pre-Set Patterns

J570 Rain Proof Wall Washer
Original 10W RGB x 18Pcs, Multiple Pre-Set Patterns

J162 36L Rain Proof
Original 3W RGB x 36Pcs,
Heavy Duty Body, Looping Wires
High Grade Components

J163 54L Rain Proof
Original 3W RGBW x 54Pcs,
Heavy Duty Body,
High Grade Components

J581 60L Rain Proof
Original 3W RGB x 60Pcs,
Aluminium Housing,
High Grade Components

J582 60L Rain Proof
Original 3W (WW+ White) x 60Pcs,
Aluminium Housing,
High Grade Components

J475 Matrix Beam Laser

0.6W Red x 6Pcs / 1W RGB x 6Pcs

J344 8 Beam Laser

0.6W Red x 8Pcs / 1W RGB x 8Pcs

J531 Smart Laser

8W RGB, Huge Library of Elegant & latest Patterns, Light Weight, ILDA/ Dmx / Sound / Auto

J538 Smart Laser

15W RGB, Huge Library of Elegant & latest Patterns, Light Weight, ILDA/ Dmx / Sound / Auto

J535 Mini Retro Fan

Original Full Power LED & Durable Motors

J524 Big Retro Fan

Original Full Power LED & Durable Motors

J393 5Mtr Sparkular
Full & Majestic Effect, Reaches
Upto 5 Meter, Error Free Performance

J509 Hanging Sparkular
Full & Majestic Effect, Reaches
Upto 7 Meter, Error Free Performance

J564 10Mtr Sparkular
Full & Majestic Effect, Reaches Upto
10 Meter, Error Free Performance

J543 XY Sparkular
Full & Majestic Effect, Reaches Upto
5 Meter, Error Free Performance

**J561 Spinner
Double Sparkular**
Revolving Double Fountain
Reaches Upto 5 Meter, Error Free
Performance

**J562 Hanging Spinner
Double Sparkular**
Revolving Double Fountain
Reaches Upto 7 Meter, Error Free
Performance

J560 Sparkular Gun
World's Strongest Sparkular Gun
Reaches Upto 5 Meter

**J571 High Quality
Powder for Sparkular
Machine**

J289 CO2 Gun
5 Meter Smoke Effect,
Original High Quality Material

J391 CO2 Gun
8 Meter Smoke & LED Effect,
Original High Quality Material

J528 CO2 Confetti Gun with LED
High Quality Components
deliver Full Throw

J546 LED Co2 Jet with Remote
30 ft Smoke Blast,
Controls : Remote, Manual, Dmx

J548 Co2 Jet With Remote
24 ft Smoke Blast,
Controls : Remote, Manual, Dmx

J542 3500W Low Smoke Machine

J446 Stadium Shot Regular Size

J417 Stadium Shot Big Size

J563 2 x Smoke Bubble

J544 4 x Smoke Bubble

J574 Fire Ball

J590 3 Head Fire Ball

J470 LPG Fire Ball

J185 CO2 Confetti Machine

J337 Haze Machine

J533 1500W Haze Machine

J432 Double Ball

Full Power LED & Laser,
High Quality Metal Motors

J575 Single Ball

Full Power LED,
High Quality Metal Motors

J436 Rugby Ball

Full Power LED,
High Quality Metal Motors

J534 Double Barrel

Full Power LED & Laser,
High Quality Metal Motors

J541 Tilted Twins

Full Power LED & Laser,
High Quality Metal Motors

J080 Baby B Eye

6 x 15W RGBW,
Evergreen Lounge Application

J579 AVO-Tiger

- 4 optical separation DMX512 signal output port. 2048 channels; Can be expanded to 8 DMX output, 4096 DMX channels.
- supports a variety of light library: R20 light library / D4 light library / xml light library; The console comes with a light library editor, which makes it easy for users to create light libraries on the console.
- An Art-Net network interface that supports the expansion of DMX output, and can also transfer DMX512 signals through the network cable and connect 3D simulation software. A 10.4-inch TFT-LCD capacitive touch screen, support multi-point capacitive touch screen.
- 12 replay program pushers * 60 pages, 12 point keys * 60 pages, ≥ 1400 replay programs. The 8 preset replay putter can output 32 replay programs at the same time. Four imported industrial grade wear-resistant encoders, with backlight color adjustment. Three - color backlight mechanical wear - resistant button, support a variety of color backlight combination. Replay putter support custom background color settings.
- With vector lamp position layout function, showing the layout of the site emissions, light selection control more direct and convenient. Support to create a workspace, quick access to the interface. With built-in graphics, and support to modify the direction of graphics, offset effects and other parameters, convenient and fast to make dazzling lighting effects. A variety of divergent effects, provide hand-painted fan mode to quickly shape the lamp. Support text, handwritten graffiti, frame color and other naming functions.
- Time code (light show) support internal broadcast, external MIDI, support LTC time code to start, a key to start a variety of mode of trigger.
- Built - in audio player, WAV FLACAP and other format music.
- Independent CMY or RGB color mix system, support color block classification. Program priority function, allowing to set a number of different levels of replay, high priority to run. Support property time modification, delay, gradual in and out, lamps overlap and other functions. Replay program support dimming, point control, pause and other mode selection. The console comes with a common computer light library. More than 1000 lamps, more than 600 lamps group. More than 600 materials; The material supports sub-categories.
- ≥ 1 set of audio output port, ≥ 1 earphone monitor port, 1 12V working lamp interface.
- The installation of a dedicated mobile app, the control panel can achieve mobile phone, flat and other mobile devices control, to achieve replay control and program playback control. The console can be remotely upgraded, and we will occasionally optimize and upgrade functions.

**J576
MAX Pearl**

1024 Channel, 2 Ports Dmx512
7-Inch Color Screen / touch Screen
Connect Max 200 Fixtures
Max 40 Control Channel For Each Fixture
Can Save 150 Materials, 150 Scenes, 15 Simultaneous Scenarios &
30000 Step In A Multi-step Scene
